

Resilience Partners continues to support the growth of its portfolio companies by providing a new financing

The direct lending firm Resilience Partners Fund I S.C.A., SICAR, has closed in July 2021 a new investment by granting an additional long-term senior tranche to EUDE Business School. With this financing, EUDE is ready to achieve its Business Plan and consolidate as one of the most relevant institutions in Spain offering international postgraduate programmes.

With this financing, Resilience Partners has supported a business and team which has adapted perfectly to the challenges originated from COVID-19. A business which generates a substantial impact in society by providing access to high quality education to worldwide students which benefit from a +90% improvement in its employability through more than 1,200 agreements with large enterprises. EUDE Business School helps transform the reality of many students, creating a deep and long-lasting improvement in society.

Resilience Partners aims to become a strategic partner for companies. Specifically, through this financing we seek to boost access to education in line with our origins and investment philosophy of creating impact in society. Supporting EUDE Business School is in line with the Sustainable Development Goals (SDG) developed by the United Nations, promoting high quality education, having formed more than 100,000 students from diverse nationalities.
